Small Business  
Enterprise

### Company Data

Gov Service Group provides business and organizational consulting services by delivering customized solutions that drive efficiency, enhance operational capabilities, and ensure improved outcomes in performance, policy, and community. A mission-driven Minority-Owned Small Business, GSG serves as a trusted partner to federal, state and local governments, NGOs and private sector clients. GSG is committed to excellence and innovation. Our reason for existing is to improve economic and social resilience.

#### Differentiators

- **Diverse Team:** Over 70% of our team members identify as BIPOC or LGBTQ+, bringing a wide array of perspectives and insights to our work.
- **Proven Track Record:** Our team has served over 300 clients across 13 countries over the past 15 years. We pride ourselves on a 100% on-time delivery rate for consulting contracts.
- **Innovative Approaches:** Utilizing a unique data and behavioral approach to enabling our clients to reach their goals. (what makes it unique?) What are your clients’ goals? If going to include, need to be more specific.
- **Commitment to Excellence:** We are committed to not just meeting, but exceeding the expectations of those we serve. Our approach ensures that every project is not only a venture in addressing immediate needs but also a step towards sustainable transformation. Transformation for what?
